## 2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2023-24 School Description and Mission Statement

### Mission Statement:

Sycamore Junior High School believes in the power of community and strives to nurture students' passions and aspirations in all areas of their lives.

### Highlights

Sycamore Junior High School is Home to the Buccaneers. Collaborating with families and the community, the school prepares students in a nurturing, safe, and healthy learning environment for a successful future as critical thinkers and problem solvers. In 2020, Sycamore was inaugurated as one of two Community Schools in the district, aiming to improve students' academic, emotional, and physical well-being. This year, Sycamore celebrated the opening of the Community School Resource Center—the first CSRC in the district and surrounding area. A full-time Community School Coordinator seeks and develops partnerships with community-based organizations, informed by the needs of students and their families; orchestrates services from participating agencies; manages the CSRC; and co-leads a comprehensive needs and assets assessment process, site asset mapping, and Community School Site Team with the Community School Teacher Lead. Additionally, the Community School Coordinator is responsible for reviewing, evaluating, and presenting data to the various educational partner groups. The Community School Teacher Lead works alongside the Community School Coordinator to conduct the comprehensive needs and assets assessment process and site mapping and co-chair the Community School Site Team. Additionally, the Community School Teacher lead serves as a resource to colleagues in transforming their classrooms and the school environment into one that is student-centered, racially just, and culturally relevant. The Teacher Lead works alongside the 5Cs coach and School Leadership Team to ensure that rich learning experiences are crafted and embedded into the school day for all students. The long-term goal of the community school is to engage families and community partners through a meaningful collaborative process to ensure all students have the conditions and opportunities needed to thrive.

Sycamore JHS offers many learning opportunities to nearly 1300 seventh- and eighth-grade students. The staff is exceptionally caring, and along with their instructional expertise, teachers are skilled at developing relationships with students. Daily lessons incorporate critical thinking, communication, collaboration, creativity, and character (5 C's). The school offers a variety of quality elective classes for students to explore their interests and abilities, such as The Dual Language Academy in English-Spanish; pathways in Biotechnology, Law, and Justice, Public Safety – Law Enforcement, Career Technical Education, and Visual and Performing Arts. ,

## 2023-24 School Description and Mission Statement

The Sycamore community realizes that classroom instruction alone will not develop well-rounded, productive citizens. Sycamore offers an abundance of affirmative after-school programs to help build the mind, body, and spirit. These programs also provide opportunities for students to access a safe environment after school while developing skills and attitudes that will enable them to succeed educationally. Funding for these programs has come from various sources, including federal funds, the Anaheim Union High School Foundation, and other district funds. Some of the activities that have been offered include Tutoring, after-school academic support, Anaheim Achieves, Student Clubs, and school sports. The intramural sports program is an arena where students can spend after-school hours in a positive environment while developing physical skills, good sportsmanship, and a sense of teamwork. Team sports are available in boys' and girls' basketball, boys' and girls' tennis, boys' and girls' volleyball, boys' and girls' cross country, and many other sports. All students have access to these individual programs. Each season culminates in a district-wide "all-star" tournament. Over 300 students per day participate in the after-school programs at Sycamore Junior High School.

### Demographic Information:

Sycamore Junior High School, located in Anaheim, California, serves 1,269 students, of which about 93% participate in the free and reduced meal program, and 34% are English Learners. The demographic profile also indicates the following regarding student subgroups: 93.07% Hispanic, 2.6% White, and 4.33% other. Students are served by a staff of 55 teachers, four administrators, two counselors, two Social workers, a School Psychologist, and 56 classified support staff.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

<b>Total Out-of-Field Teachers</b>	0.00	1.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

## Class Assignments

Indicator	2020-21	2021-22
<b>Misassignments for English Learners</b> (a percentage of all the classes with English learners taught by teachers that are misassigned)	7.3	7.5
<b>No credential, permit or authorization to teach</b> (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0	0

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

## 2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

All content subject areas utilize standards-aligned, State and District adopted textbooks and instructional materials. Teachers have input into the textbook selection process at the district level through an established curriculum cycle. Teachers are given in-depth training on the instructional materials and the ancillary materials that accompany the basic textbook material. Ancillary materials support both the language needs and the learning needs of students.

This information was collected September 11, 2023.

## School Facility Conditions and Planned Improvements

Sycamore Junior High School opened in 1962. The 25-acre site includes 34 regular classrooms plus 16 portable classrooms. There is one computer lab. The site also has a cafeteria, a media center, a gym, and various sports fields.

**Maintenance and Repair:** Site and District maintenance staff ensure that the repairs necessary to keep the school in good repair and working order are completed on time. A work order process is used to provide efficient service. Emergency repairs are given the highest priority.

**Cleaning Process and Schedule:** The District's Board of Trustees has adopted cleaning standards for all schools. The administration works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school. All classrooms and restrooms are cleaned daily. Deep cleaning, including carpeted floors and painting, occurs when students are not in classes. Students, parents, and staff are encouraged to report any objectionable conditions via a uniform complaint procedure.

The most recent site inspection was completed on October 06, 2023. Sycamore has passed all Williams reviews with more than 85% completion.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23
<b>English Language Arts/Literacy</b> (grades 3-8 and 11)	16	18	43	42	47	46
<b>Mathematics</b> (grades 3-8 and 11)	7	6	23	24	33	34

## 2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## B. Pupil Outcomes

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

#### 2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2023-24 Opportunities for Parental Involvement

Sycamore Junior High School staff believes every student's success results from excellent communication between the school and the child's parents/guardians. Parents must be given opportunities to learn about the academic program to be in the best position to help their children. At Sycamore, we strive to create an environment where parents feel welcome.

Some activities offered at Sycamore Junior High School to engage parents include Parent meetings, 7th-grade orientation, Aeries and Communication Workshops, Back to School Night, Reflective Parent Reflective Learning Walks, AUHSD Parent Leadership Conference, Parent Leadership Academy Parent Book Club, Campus Tours, Servathon, Disciplina Positiva, Farmers Markets, Parenting groups, Cookies with the Counselors, Love and Logic Parenting Class, ESL classes for adults, and parent conferences. Parents can also be actively involved in the school through the Parent-Teacher Association (PTA), School Site Council (SSC), and the English Learner Advisory Committee (ELAC). Sycamore holds a monthly Coffee with the Principal to allow for extended parental participation. This activity is open to all parents and guardians of Sycamore students. Meetings are public forums that enable parents to speak freely and ask questions about their children's education and Sycamore Junior High School. Our Family and Community Engagement Specialist works tirelessly to link the school with the community through The Buccaneer Family Center..

## 2023-24 School Safety Plan

The School Safety Plan is reviewed, discussed, and updated annually. Input is gathered from staff, students, community resource groups, and the School Site Council to determine any needed changes. Staff members implement the Sycamore Junior High School Safety Plan. No less than four safety/evacuation drills are conducted throughout the school year, and students, teachers, and other faculty members must participate.

Positive Behavior Intervention and Support (PBIS) ensures that expectations are clear and that students receive positive reinforcement for their behavior. The homeroom advisory period allows each student to feel welcomed, appreciated and cared for in a small community. It also provides ongoing instruction to reinforce and enhance support, empowerment, boundaries and expectations, constructive time, commitment to learning, positive values, social competencies, and a positive identity. The advisory teacher strives to know every student by name, face, and story. The majority of our staff is trained in Capturing Kids' Hearts.

Counselors teach guidance lessons to help students with conflict resolution, life skills, academics, and bullying prevention. Social workers provide individual social/emotional support for students in need and offer group counseling support for students with anxiety, self-esteem, and coping skills. Students are referred, or they may request to see a School Counselor for social/emotional support. Additionally, Sycamore offers training for students and parents on preventing drug use, gangs, alcohol and substance abuse, bullying, harassment, graffiti, and tobacco use. Implementing Sycamore's discipline flow chart and the district discipline task force recommendations have significantly reduced referrals related to fights and suspensions. This plan was reviewed and approved on January 19, 2023.

## Fiscal Year 2022-23 Types of Services Funded

Sycamore JHS receives categorical funding from the state and the federal government. Spending categorical funds is prioritized to meet the goals of our Student Plan for Student Achievement (SPSA). We offer a variety of supplementary services before and after school. Academic support, EL Monitoring, and tutoring are some examples of support services for struggling students. Social workers provide individual social/emotional support for students in need and offer group counseling support for students with topics that include anxiety, self-esteem, and coping skills.

Response to Intervention (RTI): Sycamore JHS offers after-school sports programs and other teacher-sponsored positive activities. In addition, Sycamore Junior High School offers students a variety of opportunities and programs to enhance achievement and provide a connection with the Sycamore community. Social workers provide individual social/emotional support for students in need and offer group counseling support for students with anxiety, self-esteem, and coping skills.

Response to Intervention (RTI):

Sycamore continues developing, implementing, and monitoring a comprehensive multi-tiered support system (MTSS) for identified students who need additional support. The staff has made a concerted effort to use student achievement data to identify gaps by subgroup and provide targeted academic interventions and enrichment resources for students. Focusing on First, Best Instructional Practices, all staff emphasizes communication, creativity, critical thinking, collaboration, and character (5C's) across the curriculum. Full implementation of PBIS provides a strong Tier 1 foundation for student behavior in the classroom, on campus, and beyond. Strong community partnerships provide support for students throughout each tier of the EMT.

The following briefly describes Sycamore's tiered system of intervention and support.

Tier 1 – Identification: First, best instruction through engaging lessons and focus on student literacy. Students receive support within the classroom. Teachers collaborate with a grade-level team to resolve students' needs as problems arise. Teachers document strategies used and the results of in-class support.

Tier 1-Interventions: Sycamore JH offers a wide range of programs to support the needs of every student. These include Homeroom, PBIS, Academic Support, Counselor Guidance Lessons, Parent Conferences, Academic Support, Kindness Matters, Anaheim Achieves, and Positive Activities.

Tier 2 Intervention: Students are placed in intervention classes for ELA based on district and site criteria. They receive support classes to address academic or behavioral needs. Students' progress is monitored with relevant formative assessments and data analyzed. Some interventions used at Sycamore are parent conferences with all teachers, Mission Organization, Time Management Training, Parents on a Mission, Social Skills Lessons, Bullying Intervention, Pathways, SART/SARB, and Project SAY. Students that do not respond positively to intervention will be referred to the EMT team for next steps.

Tier 3- Interventions: Educational Monitoring Team (EMT) Meetings, Parent Supporting Parents Meetings, Community Service, on-site social work/counseling services, and outside counseling/community services referral.

## Professional Development

Teachers participate in a variety of District in-services and professional development workshops and conferences to enhance their content knowledge and instructional skills. This is in addition to four professional development days and weekly late-start meetings scheduled each year for professional learning activities. New teachers are also required to participate in a teacher induction program. The District and school continue to train teachers in strategies to deliver a differentiated curriculum with depth and complexity. Teachers learn to utilize assessment results to target instruction to meet each student's individual needs better. Classified staff members have many opportunities to participate in training designed to enhance their effectiveness with students. All District staff members are supported in their efforts to deliver highly effective lessons. Teachers and administrators are given many opportunities to examine current instructional programs and strategies and realign with state curriculum performance and content standards. Research-based instructional strategies are reviewed and implemented.

In addition to what the District provides, Sycamore Junior High School has weekly professional development opportunities on Thursday's late start days. This time is utilized by departments, specialized programs, and cross-curricular articulation. All educational staff is involved in a variety of workshops. SJHS in conjunction with GEAR UP will develop and provide professional development to support teachers in developing sustainable strategies to increase student achievement in the areas of Project-Based Learning (PBL's) and Implementation of engaging lessons that implement the 5 C's (Collaboration, Creativity, Critical Thinking, Communication, and Character). The school provides opportunities for teachers to develop skills in the use of district-supported technologies.
